IN HIS STEPS by Pastor Tim Smith

"All a man's ways seem innocent to him, but motives are weighed by the LORD." (Proverbs 1d:2, NIV)

When we look at each other, we can see clothes, eyes, hair, how tall or short we are, and even whether we are happy or sad. But we can't see

what's in each other's hearts. My motive--the reason I do something--might be different than yours, even though we do exactly the same thing. On the outside, the things look the same. But God sees the difference. May God guide our steps--and our motives--today and always.
